HOTELS

We are counting on you to be on your best behavior in order to maintain the working relationship with our motels and campgrounds. Our hard-earned reputation, as well as our ability to continue hosting trials, is certainly on the line and dependent on YOUR cooperation. We follow up on any complaints from motel owners or guests, so please report any issues to us.

- ◆ Of course, as is standard agility procedure, all handlers/owners will pick up after their dogs. Please bag and dispose of dog waste properly.
- ◆ Please cover the motel's bedding with a sheet or blanket from home, whether or not you think your dog will get on the bed.

Don't EVER leave dogs unattended. Take them with you when you go out for dinner. Even the best of dogs can get carried away in a motel room without you present.

Data Entry and Changes to your Information

Data entry mistakes happen. That is why Fast Times asks everyone to READ both preliminary & final confirmations. For the majority of entries, dog and owner/handler information remains the same. We ask that you **highlight any** of the following changes on your entry forms:

- New email address
- New Titles
- New Handler
- New address and/or phone number
- New jump height

(including jump height changes from trial to trial. For example, dog jumps 20" at one trial, then 24C" in the next trial.)

Highlighting these changes on entry forms is very helpful so that these changes can be updated in the Fast Times database. **ALWAYS** review your confirmations carefully to ensure that your requested changes have been made.

****TRIAL REGULATIONS FOR EXHIBITORS****

RETURNED CHECKS do not constitute a valid entry fee. A \$30 fee will be charged for most bounced checks. Additional fees will apply for checks returned due to exhibitor negligence (ie: stop payment, insufficient funds, closed account).

ACKNOWLEDGEMENT OF ENTRIES will be made as soon as trial closes or limits are reached.

Acknowledgment of entries will include confirmation notices.

ENTRY FEES shall not be refunded in the event that a dog is absent, disqualified, excused by Veterinarian or Judge, or barred from competition by action of Trial Committee. If because of riots, civil disturbances or other acts beyond the control of the management, it is impossible to open or to complete the match, no refund of entry fees will be made.

ERRORS ON ENTRY BLANKS-Owners are responsible for errors in making out entry forms, and no entry fee will be refunded in event of such errors or cancellation of entries after trial has closed.

CONSULT FINAL CONFIRMATION FOR TIME OF JUDGING.

WALK-THRUS. No umbrellas allowed during walk-thrus.

JUDGES ARE NOT REQUIRED TO WAIT FOR DOGS. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

TRIAL COMMITTEE will use due care and diligence for the welfare of dogs and exhibitors, but will not be responsible for, nor assume any liability in the event of an accident or misfortune to either dogs or exhibitors participating in this show.

DOGS This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), AKC Canine Partners listing number (**if the trial-giving club is offering the option of Canine Partners entries. See front page of the premium for that information**), or approved Foundation Stock Service (FSS) breeds are eligible to participate. All American dogs that have been listed with AKC Canine Partners may participate if the trial-giving club is offering the option of mixed breed entries and provided their listing number has been recorded on the entry form. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

DOGS MAY ARRIVE any time prior to judging, otherwise, they must be available for measuring before their class begins.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

This club agrees to arbitrate claims as set forth on the Official AKC Entry Form for this event.

MOVE-UPS

EMAILED MOVE-UPS must be received by 6pm the Monday before the trial and will not be accepted after this deadline.

Best thing to do is to reply to your preliminary confirmations when requesting a move up. We need the following information:

TRIAL NAME, Owner's Name & Dog's Call Name (already listed in the prelim confirmation)

Move-up for what days (Saturday, Sunday, etc.)

Moving from (include STD, JWW or FAST)

Moving to (include STD, JWW or FAST)

Remember that you must send a **separate email for each trial that you need a move-up for**. Each trial is a completely separate event with separate data.

Emails received on Friday, Saturday or Sunday will be responded to by Monday afternoon.

Please remember that we are not in the office these days as we are on site scoring trials. Do not send multiple emails with the same request during these days. If you don't hear back from us by mid day Monday please reach out as we may not have received your request.

We **always** send a reply email with a revised confirmation attached to all emailed move-up requests once they are processed.

. All move-up requests must be emailed, faxed, or mailed and received by us prior to 6pm the Monday before the trial. Our Fax number, mailing address and email address are listed in every premium. ISP SPAM filters can cause non-delivery of emails. Just because you sent an email to cancel or to move-up – that does not mean that we received. If you do not get a reply - then it means we never got it.

DAY-TO-DAY MOVE-UPS are for dogs entered at a set of back-to-back agility trials and must be submitted in writing at the trial within ½ hour after the last run of the trial day for the

following day(s) and **cannot be conveyed via fax, email, or verbally to the trial secretary.**

NOVICE MOVE-UPS: once a handler has earned any Novice agility title, they must move any dog they handle to Novice B for any classes that the dog still needs to earn Novice legs. This must be done for all trials that have not closed. Please let us know if you have questions.

Cancellation and changes to classes, except move-ups, must be made before the **trial closing date and time (see premium for exact details)**. Please remember that Fast Times and the club are not responsible for emails that do not get delivered. We will not cancel an entry after the closing date and time or make a move-up after the move-up deadline due to non-delivery of an email *request!*

NOTES FROM TRIAL SECRETARY

1. Please remember to check the No Signature Required box AND sign that spot where you authorize them to deliver any overnight package. Our Post Office knows that we do not accept signature-required packages and they will not even attempt to deliver them. They just mark them "Refused" and return them to the sender. We never even know that you sent that package to us.
2. Remember that the email/fax/mail Move-up Deadline for your first day of a set of trials is ALWAYS **Monday at 6 pm prior to the start of the trial**. Please send your move-ups in right away so you don't forget.
3. Please review the section about Move-ups as we have added more clarification about requesting move-ups before and at the trials.
4. With all the paperwork we handle, mistakes are inevitable. We send out both Preliminary Confirmations and Final Confirmations. PLEASE read these and double check that all the information is correct. Having to change Gate boards, scribe sheets and computer records the day of the trial or the week of the trial is very difficult.
5. Emails received on Friday, Saturday or Sunday will be responded to by Monday afternoon. Please remember that we are not in the office these days as we are on site scoring trials. Do not send multiple emails with the same request during these days. If you don't hear back from us by mid day Monday please reach out as we may not have received your request. We **always** send a reply email with a revised confirmation attached to all emailed move-up or cancelation requests once they are processed.

Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

How do I know if I have a valid jump height card?

If your dog is under the age of two years as of the trial's date: One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

If your dog is the age of two years or older as of the trial's date: A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

Exception to the 2 permanent measurement requirement: If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Request Perm" box at the bottom of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not giving up your right to have the challenge measurement process performed in the future. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

What if my dog measures into a different jump height then what he is entered?

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

May I challenge my dog's jump height card measurement?

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

What is the jump height card challenge process?

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

FEO runs WILL be allowed at these trials in Fast & T2B.

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.
